Selecting the appropriate school from the list will return you to the Academic History page and enter that school number into your application.

Degree Still in Progress

If your most recent degree is still in progress please submit the date you anticipate completing your degree in the Degree Date field.

Multiple Degrees from the Same School

If you received more than one degree from a school please only note the most recent degree you have been awarded. We will note any additional degrees you may have received when assessing your academic record/transcripts.

Two of More Distinct Enrollments at One School

If you attended a school at two separate periods of time over your academic history please only provide the start date of your earliest attendance and the last date of your most recent attendance.

Adding/Removing Additional Schools

To add an additional school field to your application select the “+” sign within the   buttons. To remove a row of information you have added select the “-” sign.
