Support – Applying for Graduate Studies

Personal Information

The Personal Information page provides Western with basic information concerning your identity and contact information. We use this information to define your applicant account with your identity and communicate with you.

Elements within the application marked with a “*” are required. These required elements are necessary to define your account within our information system.

Status in Canada
Your “Status in Canada” reflects your citizenship status in Canada should you attend Western. If you are an applicant with citizenship outside of Canada please select “Study Permit”. If you are a Permanent Resident please note that you will be expected to produce your Landing Paper or copy of your Permanent Resident Card within the Supplemental Documents area.
