Management consulting firms are among the **top-paying employers** in the market – they are **actively recruiting graduate students and post-docs**

Come join us to hear from graduate students who have successfully transitioned into management consulting!

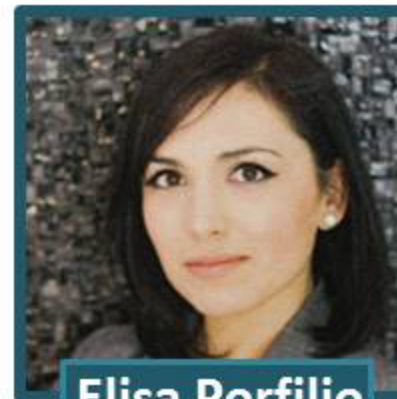

Kris Hon

*Ph.D candidate in Biochemistry,
President of GMCA Toronto
(2014-2015)*

Kris has consulted for the Graduate Consulting Group, participated in the Rotman School of Management Healthcare Consulting course, and has successfully initiated GMCA partnerships with BCG, Deloitte, and IMS Brogan.

and

Elisa Porfilio

*Ph.D candidate in Immunology,
Vice President of GMCA Toronto
(2014-2015)*

Elisa has completed various consulting projects in the health care and non-profit space, was the TA for the Rotman Healthcare Consulting course, and worked part-time at Monitor Deloitte during her PhD.
