**Graduate Program Process**

**Domestic Applications:**

- The Committee Chair may perform an initial triage and set aside an application that does not meet the bar of academic excellence for scholarship. The application must not be ranked and the Chair will alert the Graduate Assistant who will update the status in GradNet to Not Recommended.
- Review and rank applications initially in two separate pools (Master’s and Doctoral) and then together in one blended pool.
- Produce one (1) final blended list (M and D combined) of rank-ordered applications. The number of recommended, rank-ordered applications in the list will be no less than 2x the program’s total award.
The Ontario Graduate Scholarships (OGS)

- Enter the ranks in GradNet and update the status of ranked applications to Recommended by Friday, March 11th 2016.

**International Applications:**
