

Western

Centre for Research & Education on
Violence Against Women & Children

**Postdoctoral Associate
Centre for Research & Education on Violence Against Women & Children ,
Western University**

Western ranks as one of Canada's top research-intensive universities. From fundamental to applied discovery and other scholarly activities, its postdoctoral scholars advance knowledge that provides tangible benefits for the economic, social, health and cultural development of citizens in London, in Canada and around the world. Western Research supports scholars through collaboration, communication, and service. Western University and its affiliate colleges received more than \$267 million in research funding over the past year.

About the Role:

The Postdoctoral Associate (PDA) will support leaders at the Centre for Research & Education on Violence against Women & Children, Western University with various research projects related to gender-based violence prevention, intervention and exploratory research. Specifically, the PDA will support research projects related to trauma-and violence-informed health promotion, program evaluation, and sustainability. The PDA will be responsible for various research activities including conducting literature reviews, preparing ethics application submissions, collecting and analyzing data and writing articles for publication. Additionally, the PDA will support knowledge mobilization through various activities as identified with project leads.

Key Responsibilities:

Develops systems, processes and procedures for timely data collection, prepares and submits ethics protocols, collects and analyzes data, completes statistical and qualitative analysis on new and available data sets, conducts literature reviews and prepares manuscripts and technical documents for publication; present findings of research to professional groups, other researchers and community partners.

Qualifications: PhD in a relevant field (Health, Psychology, Sociology, or other related social science discipline)

Duration: March 1, 2026- March 31, 2026

Start Date: March 1, 2025

Location: Centre for Research and Education on Violence Against Women & Children, Faculty of Education, Room 11588.

Salary: \$70,000 per year plus benefits

Application: Applicants must submit curriculum vitae, statement of academic interests and career goals, a writing sample (e.g., first-authored publication), and names and contact information of two references. Please send application and inquiries to Maly Bun-Lebert (mbun@uwo.ca). We invite applications from all qualified candidates.

Western University are committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous persons, and visible minorities in Canada. Accommodations are available for applicants with disabilities throughout the recruitment process.
