

Western Music

Don Wright Faculty of Music

Position: Postdoctoral Associate in Music Cognition, Western University

The Don Wright Faculty of Music at Western University invites applications for a one-year postdoctoral position. This position is part of Western's "[Music, Cognition, and the Brain](#)" Initiative, an interdisciplinary initiative that connects music, psychology, neuroscience, audiology, and related fields. The Postdoctoral Associate will conduct original research on music and cognition, in collaboration with faculty members and students in the [Don Wright Faculty of Music](#), Western's [Brain and Mind Institute](#), and the [National Centre for Audiology](#). Candidates should have completed a PhD in music or a related field (e.g., psychology or neuroscience, with music-related research interests), within three years of the appointment.

Applications should include a letter of interest that discusses academic background, long-term professional goals, a proposed research project, and potential start date; curriculum vitae; and names, addresses, and phone numbers of at least two references. Please submit materials to Chantal Rochon at crochon4@uwo.ca. Consideration of applications will begin on February 1, 2021 and continue until the position is filled.

Benefits include Employment Insurance, Canada Pension Plan, a health care spending account (to cover eye and dental care, prescriptions, etc.), parental leave, and Western's mentorship and professional development program for postdoctoral scholars, [Competitive Edge](#).

For further information, please contact [Jonathan De Souza](#) at jdesou22@uwo.ca.
