

# Innovation Ambassadors: Monthly Speaker Series

**January 19, 2022 | 12:00 – 1:00 p.m. | Zoom Webinar**

**Kamran Siddiqui**

Professor and Associate Dean  
(Graduate), Faculty of Engineering,  
Western University

**Bassem Awad**

Associate Professor and Acting  
Director of the Area of  
Concentration in Intellectual  
Property, Information Technology,  
Faculty of Law, Western University

The Innovation Ambassadors speaker series provides an opportunity to see what research and innovations are coming from various areas of the university. See what your colleagues are working on and how you can engage in the innovation ecosystem here at Western and in the local community. This session will be hosted by Saqib Sachani, Business Development Manager, Life Sciences, WORLDDiscoveries.

The speaker series will feature faculty members from across campus and special guest panelists from industry.
